If so, you will do it with the intention of improving upon present conditions.

Our part is to interest you in our ability to improve and perfect your sanitary equipment.

We do but one kind of work—the best—and use the famous "Standard" Ware, every piece of which is guaranteed by the manufacturers to be strictly first quality. Let's talk it over. We have samples in our show room.

## ARRESTS ANARCHIST

## Opportunity for Appeal to Reason to Defend Him

## FORMERLY AMERICAN CITIZEN

Racioppi Is Not Considered an Anarchist by the Italians and Considerable Excitement Prevails Over His Arrest by His Countrymen.

New York, April 8.—Michael Angelo Racioppi, of Union Hill, N. J., who came to America ten years ago, is being held on Ellis Island because of a letter recently received by the police department denouncing him as an anarchist. He arrived a few days ago from a visit to Italy and having become an American citizen two years ago, had no trouble in landing.

Meantime the letter to the police had been forwarded to the authorities at Washington.

A warrant for the arrest of Racioppi was sent to New York and Thursday a detective found him at his home in Union Hill. He was enticed to Ellis Island on the excuse that there was a trunk there for him and was examined by a board of special inquiry.

The news of his arrest spread through the Italian quarter of Union Hill, and there came near being a riot there when it was said that good natured Racioppi had been taken as an anarchist.

The board quickly found that Racioppi was not an anarchist and never dreamed of killing anyone. He will, it is expected, be released when the board's report reaches Washington.

## Coming Attractions.

The amusement loving people of Astoria will have an opportunity to gratify their desires next week. Commencing Monday night, an unusual attractive program is booked for the popular Star theater. Among the artists that will appear are the De Monieos, in a brother and sister act, which is pronounced one of the best ever produced. The king and queen of seven silver circles is one of the finest presentations ever witnessed and is certain to prove a great drawing card. J. W. Clifford, the German yodler and comedian, is exuberantly funny and provokes laughter at every turn. Mustard & Cook will present something entirely new and pleasing as high class vocalists. Bert Newhall, the famous female impersonator, is recognized as the finest on the vaudeville stage. Richard Charles, the celebrated baritone, will sing "Mama Boy." Crowded houses are certain to greet the Star all of next week.

## The Issue of Race.

In the twelfth chapter of the book of Judges it is told how the Gileadites slew forty and two thousand Ephraimites at the passages of Jordan because they pronounced "shibboleth" "sibboleth." That was a race issue. By their faulty speech the forty and two thousand proved themselves to be of another race, and they were slain. Read ancient history and learn that in the dark backward and abyss of time the hand of every man of one race was against the hand of every man of all other races. Stranger meant enemy, alien meant foe. Then the race issue was at its strongest. Centuries have passed. Almost universal tolerance has come about. While races still preserve their national identity, ingress and egress are, for the most part, free and open. The sons of one race mate freely with the daughters of another. Without loss of caste or honor a French girl may marry a Neapolitan, a Swiss maiden a Prussian youth, a Norwegian Olsen a German Gretchen, a Russian an Austrian, a Spaniard a Portuguese, an Englishman a Scot. The population of the United States is an amazing composite of all these and other races.—San Francisco Argonaut.

## Would Open His Eyes.

"Thinks he never makes a mistake, eh? Single man, I suppose?"  
"Yes, Why?"  
"Well, if he had a wife I think she'd quickly convince him of that mistake."

## A Daredevil Ride.

often ends in a sad accident. To heal accidental injuries, use Bucklen's Arnica Salve. "A deep wound in my foot, from an accident," writes Theodore Schuele of Columbus, O., "caused me great pain. Physicians were helpless, but Bucklen's Arnica Salve quickly healed it." Soothes and heals burns like magic. 25c at Chas. Rogers, druggist.
